## PRE-SURGICAL INSTRUCTIONS FOR YOUR PET'S PROCEDURE

Thank you for choosing Westbrook Animal Hospital for your pet's surgical care. To help ensure your pet's procedure goes as smoothly and safely as possible, please carefully review the following pre-surgical instructions.

### FASTING INSTRUCTIONS ←

**Food:** Please withhold all food after midnight the night before surgery. This includes treats, table scraps, and chewable medications unless otherwise directed by your veterinarian.

**Water:** Your pet may have access to water overnight and the morning of surgery. Please do not restrict water.

### → DROP OFF AND PICK UP DIRECTIONS

Surgery drop-off times are typically **Tuesday or Wednesday mornings**, depending on when your pet is scheduled.

The **drop off times are between 8:15am-8:45am** unless previously discussed with our team. Please arrive at the time provided by our staff when confirming your appointment.

Most pets are ready to go home **before 12:00 PM or after 2:00 PM** but we will contact you the day of surgery once your pet is fully awake and ready for discharge!

The **latest pick-up time is 4:30 PM**. Please plan accordingly if you are unable to pick up earlier.

When you arrive, our staff will review discharge instructions, medications, and aftercare recommendations.

### → WHAT TO BRING

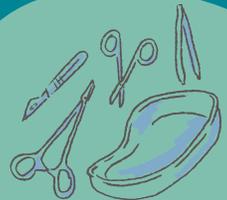

Your pet on a secure leash or in a carrier.

Any records from other veterinary clinics if you are a new client or have any updated records from other vets/specialists

**MAKE SURE YOUR PET HAS HAD A CHANCE TO RELIEVE THEMSELVES BEFORE ARRIVING!**

**Thank you for trusting Westbrook Animal Hospital with your pet's care. We look forward to providing them with safe, compassionate treatment and a smooth recovery!**
